Gentlemen,

I am hoping to get an update on where we are at with getting our tribe back on the list for federally recognized tribes. I know that the Asst Sec. had meetings with the solicitors office and that Pilar Thomas is no longer with that office, so at this point where do we stand?

I hope you can understand our frustration. It seems that no matter what we do or what we have proven when asked by the BIA/DOI we still get roadblocks put in front of us. So I ask again, is there anything can we do to get this resolved and our tribe back on the list before we lose anymore of our elders?

Respectfully,

Jim Appodaca
